

Union Church Playgroup

Newsletter June 2008

Dear Parents,

Greetings from Union Church! Our term is nearly finished and the summer is quickly approaching. I trust that your child has enjoyed his/her experience at the Playgroup this term and that it has met all of your needs and expectations.

As we look toward the summer months of July & August there will be a few changes to the normal Playgroup routine. Please take note of the following items:

- 1. There will only be three sessions per week on Monday, Wednesday and Fridays from 9:30 -11:30 am.*
- 2. Each session will allow both Mothers & Toddlers and Helpers & Toddlers to attend.*
- 3. Payment may be made in advance for each month for a total of HK\$390/month, or they may be made at the beginning of each session for HK\$100 each session. (Please note that payment must be received before the child may attend the playgroup).*

The Autumn/Winter term will begin on September 1, 2008. Please make sure that your child is registered before August 25th to ensure placement in your preferred session. For your convenience, a registration form has been attached to this newsletter. Additional forms may be down-loaded from our website at <http://www.unionchurchhk.org/content/view/52/90/> or you can pick up a hard copy at the Union Church office.

As always, please feel free to contact me with any comments or concerns.

Have a great summer!

*Sincerely,
Stephanie Weathington
